

Last month I suggested you secure at least 3 months food supply and water for every member of your family.

I also recommended you to do it by August, as an imminent disruption to food supplies could come from a number of places.

If you haven't, may I suggest you do your best in the next 48 hours. Grab extra fuel too.

Why?

This Tuesday, 31st August 2021, Australian and New Zealand truckies are staging a proper silent protest that will quickly bring our two great countries to a standstill.

They have vowed to block ALL borders from 9am sharp. No one comes in, no one goes out.

Here's a quick video from Max Igan, plus a flyer that explains more...

According to their private Facebook group, which was set up just six days ago and has amassed more than 52,000 members already...

At 12 noon they'll be requesting for Parliament members to STEP DOWN.

‘This is to force a dissolution of parliament and call for new elections.’

This will be a peaceful, powerful, silent protest.

I believe in the rule of law and order. According to various government websites, Australia is a party to seven core international human rights treaties. The right to freedom of assembly and association is contained in articles 21 and 22 of the International Covenant on Civil and Political Rights (ICCPR). This right is further protected by the Australian Constitution under the implied freedom of political communication.

To be clear, I am NOT telling anybody what to do...

I’m just alerting loyal subscribers on my list that they may wish to get prepared for such an event... so you can support yourself, your family and your neighbours.

The truckies have notified all parliamentary representatives, Senates and the Governor General.

Our truckies are taking this seriously, and I suggest you do too!
