New Bill To Allow Foreign Forces and Troops To Be Used on Australian Soil:

From a close contact My partner is employed by the Government and works with Rod Culleton. She has just been informed that the dark side of the Aus gov are going through the very final steps to bring in the UN now that the below bill has been approved for the UN to assist in laying down the agenda. Reading between the lines, my concern is that both our police and ADF will be stripped of their rank and returned to civilian status upon UN arrival, majority C.C.P troops. The ADF of all ranks need to hear ALL the truth asap I feel!! ADF and Police are far more disposable then they know and may just find themselves without a salary very soon...please warn those friends of yours who wear uniform
