The Great Seal of Australia is unlawful. Australia does not have a legitimate Governor General and the Governor from Victoria cannot be appointed by the Federal Parliament which is also unlawful. The people must petition the Queen and ask her to appoint a new Governor General subject to a Petition of Rights served on Queen Elizabeth Second. The unlawful 'Australian Government' cannot appoint a Governor General.

We will soon post David Walter's Petition of Right readers can use to send to Her Majesty.

About Editor, cairnsnews

One of the few patriots left who understands the system and how it has been totally subverted under every citizen's nose. If we can help to turn it around we will, otherwise our children will have nothing. Our investigations show there is no 'government' of the people for the people of Australia. The removal of the Crown from Australian Parliaments, followed by the incorporation of Parliaments aided by the Australia Act 1987 has left us with corporate government with policies not laws, that apply only to members of political parties and the public service. There is no law, other than the Common Law. This fact will be borne out in the near future as numerous legal challenges in place now, come to a head soon.
