

# WA Labor Premier McGowan being managed by Jesuits

Posted by [Editor, cairnsnews](#)

## Letter to the Editor

Your faithful reader "Eskimo Joe" objects to published articles, linking the Catholic Jesuits to the "FREE" masons. Is he serious? He is either a Jesuit himself or a delusional apologist.

The old powerful, satan-worshipping families of the collapsed Roman Empire created the Papacy as their vehicle to regain power. They formed up various "orders" of lunatics and criminals to specialize in various functions.

WA Premier Mark McGowan sold off West Australia's land titles office for \$1.41 billion to cover the WA Catholic church's sexual abuse victim's compensation

For example they formed the Dominican and Franciscan orders to act as police and executioners. This benevolent lot tortured to death and murdered perhaps millions during the Inquisition, or what Christ in Revelation chapter 7 verse 9 to 17. called "the great Tribulation ". That is when they weren't interfering with little children. One of the perks of their orders.

The Augustinians were originally a scholarly order but are today diverted to invent culture for "First Nation" people, in order to overthrow Sovereign Nations.

The Benedictine order specializes in Cultural Change, to better target populations centuries ahead so it will be easier to bring about their global Government. e.g. the destruction of Western European Christian society by introducing the drug/ rock/ sex counter culture.

I knew a former Benedictine monk from Canada. He spilled the beans on how they operated.

He said that one of the methods used to break and dominate new recruits, was forcing them to drink the urine of the senior priest, and worse. Very Christian.

The Jesuits came later. Apart from straight out murder, they are trained in Law and are skilled at infiltrating any opposition entity and undermining it.

They are often Professors of Law or Judiciary.

Propaganda, spin and damage control are specialties.

Lets look at some current examples of Jesuit involvement in political crimes. Several months before Mark McGowan became Premier of Western Australia, two persons were at a restaurant in Perth. McGowan and another man were dining at a adjoining table.

One of these knew McGowan and went to his table. The other man, an Italian was introduced to him as the man who was going to make him Premier. After some polite conversation, it transpired that this man was McGowan's media and policy adviser.

This person eventually gave out his business card.

On it were two addresses. One in Perth and one in Rome. After looking at it one of these men commented that address was actually in Vatican city. McGowan's Italian advisor agreed.

On being asked by one person what function did he carry out there he answered that he was a journalist and also a member of the Order of Jesuits.

McGowan became Premier and shortly after the Catholic church had a huge payout to make to the victims of their paedophile priests.

McGowan unlawfully sold off West Australia's titles office in 2019 for hundreds of millions and used this money to pay for the Catholic Church's settlement to its child abuse victims. Public money to pay the private debt.

<https://www.abc.net.au/news/2019-09-10/wa-property-database-landgate-sale-to-fund-child-abuse-redress/11498056> (<https://www.abc.net.au/news/2019-09-10/wa-property-database-landgate-sale-to-fund-child-abuse-redress/11498056>).

Liberal Party members and many citizens went to their party heads who just all happened to be masons. They were told to drop it. Nothing was done. No connection eh Joe?

About 3 months after McGowan's election, he called a meeting of all CEO's from shire councils.

It was held at a northern suburb venue. No press allowed. All CEO's were lodge men. They were warned to secrecy about the meeting agenda.

They were told that they must support the implementation of the infamous Agenda 21 of the UN as the State Government demanded. They all agreed. Except one has spilled the beans.

This Agenda 21 is included in the Popes Paris Accords on "climate action". Another depopulation scam especially targeted at Protestant countries of the West. No connection eh Joe?

Corporate fascism has been the business model for the Vatican ever since it put Mussolini and Hitler into power. Nothing changed.

Again after the last WA election, the remaining two Liberal Party members raised the vote fraud issue with their party heads, mostly Freemasons. It was discovered that the global vote processing Spanish company Scytl and its spinoff Dominion had their office in the WA electoral commission building. They were told to drop it. No connection eh Joe?

This entity with links to China and the Vatican was involved in the massive fraud that installed Joe, head of the Biden crime family, in the White House.

An Italian Government-owned military satellite was used to transfer the vote changing data into the American system. Who would have the power in Italy to get such a act of war against another country approved? Who would dare?

Reminds us of another time and a Jesuit John Wilkes Booth. It is the old trick Joe, each gang blames the other but they are all parts of the same Beast.

The Freemasons, the Jesuits and the cabalistic Jews all have one thing that unites them, they are all Christ haters and are servants of the demonic.

Joe, you should read Revelations chapter 17 if you want to see their future. You have already lost.

A year or so ago, the protests of a lot of decent, moral Catholic laypeople in the USA began to shed light on the operations of Church owned corporations in doing very wrong things to make a profit. e.g. the use of organs from murdered babies of the abortion clinics to be used by cosmetic and vaccine manufacturers.

It transpired that the cash transfer from these companies, from the USA to the Vatican was over \$300 billion annually. What is it from Australia?

Joe, it is no surprise that Jesus showed in Revelations chapter 18 the final destruction of the Papacy and the reaction of the worlds business leaders to its final end.

Many years ago, a group was discussing the mess Australia is in. One person commented that the Jesuits founded and still ran the Freemasons to undermine the Protestants and to act as a front for them.

A person at the meeting then revealed that he had been a Mason from his 21st year. He was told that the Lodge was formed to stop the Catholics from grabbing power as they had until Luther's Reformation.

He said that he had no more interest in the lodge after an experience a few years before. He had amazing communication skills and the lodge wanted to take him up high to "fit" him for public office.

He resisted these overtures, but eventually gave in and was taken to Brisbane to meet some "important" masons. Most were very mediocre, but he was finally told that he was to meet the most senior mason in the State.

This person was a secret member and not to be spoken about. It turned out that he was the Catholic Archbishop. Our friend asked to leave, saying that it was all too complicated for a bush boy.

It is no accident that the first American Constitution had a ban on any Lawyer entering the Congress or Senate. It took years for the Jesuits to get that removed. The law profession is where the Jesuits congregate. That was the reason for the ban.

The destruction of our constitutional government has mostly been at the hands of lawyers, becoming members of Parliament. Joe, quit while you are ahead.

Sincerely,

James Lewis.

## About Editor, cairnsnews

*One of the few patriots left who understands the system and how it has been totally subverted under every citizen's nose. If we can help to turn it around we will, otherwise our children will have nothing. Our investigations show there is no 'government' of the people for the people of Australia. The removal of the Crown from Australian Parliaments, followed by the incorporation of Parliaments aided by the Australia Act 1987 has left us with corporate government with policies not laws, that apply only to members of political parties and the public service. There is no law, other than the Common Law. This fact will be borne out in the near future as numerous legal challenges in place now, come to a head soon.*

Reeeeeeal Good. Oh shit. Where do we go from here? My view is that Mark McGowan is a fascist. From your story, there's that view and few more chucked in. Thank you.

*lindesymonds* |

The Synagogue of Satan is currently running the entire world through its pyramid of money power (the central banking cartel). The organised forces of Anti-Christ have many branches. And those branches have captured all nation states seated in the UN (their presidium), they have penetrated all institutions of social influence and subverted them to a greater or lesser extent. The older the institution, the greater the constant effort must be to clean out the subversion.

The reference in the above letter does not specify exactly to what institution/s the Land Titles payout went.

But throughout the Western world, there is abundant documentation of paedo / child trafficking and sex crime networks being substantially cleaned out institutions of social influence both religious and secular. And this effort continues apace in the dogged efforts of people determined to reclaim their institutions, prosecutors who have not sworn extra judicial oaths who determined to prosecute etc. . The type of crime described in the above letter exists and its network of enablement exists. And the determination to expose, convict and remove it exists.

Corrupt payouts by corruptos in government (part of the enablement network) are part of the problem.

The Freemasons and the Jesuits are not the same institution although they might certainly overlap. The Masonic orders were set up by the Synagogue and the oaths of the higher degrees are to the Judaic supremacy. As the foundation of social order established in the Revolution 1789, the Masonic sects ensure the non-separation of synagogue and state.

The Jesuits take oath specifically to the papacy. The central banking cartel finally captured the papacy when Grand Orient Freemasonry plunged the Italian Peninsula into the bloodbath of Garibaldi and Mazzini's Revolution. The Rothschild's had become the notable front of the cartel in The City and with the Revolution on the peninsula, they threw a central bank down on top of the Catholic hierarchy and they threw a central bank down on top of the unified Kingdom of Italy. (Marx's fifth plank is the central bank). That is when the Jesuits (which had been suppressed in Europe) were rebooted.

For centuries, the banker wars had been conducted on the Italian peninsula among the estates (the largest of which was the papal estates), the city states and little kingdom. For millennia this had been the mosaic of Italy. After the fall of Constantinople, the Khazarian banksters with their Babylonian banking syndicate came West. So on the the peninsula, you had the Jewish central banking model of credit issue. This was the captured state owned by the bank model – out of Venice and ultimately Khazaria. And this was at war with the merchant bank model – loans at interest that had to be repaid on profits of venture capital. Ultimately, model no 1 won on the Italian peninsula and all over the world. Shakespeare's "The Merchant of Venice" used to be required reading in the traditional Catholic high school because it illustrates this history in a single play. Today, of course, it is banned in all schools and the English national theatre "for fear of the Jews."

Those who want to reclaim their own institutions for the purpose of their founding have always been hard put to it to liaise and unite similar forces at work to clean up the agencies of subversion infesting other institutions – whether religious, governmental, secular or even criminal. In the film 'The Godfather' – much of which is factual – we see the battle to keep drugs/ paedo networks out of the rackets of the Five Families in New York. So you had the Dons meeting. They are going to run numbers, prostitution, gambling, policy banks, assassinations – but the Corleone Family was not going to run drugs and paedo networks. There is reason why Puzo's novels are called the 'great American novels'.

In the United States the property of entire Catholic dioceses has had to be liquidated to pay for sex crimes of those who have been exposed and convicted. This has not been the case with similar crimes where the perpetrators have subverted institutions of the state because you can't very well sell off courts and governments in that way. The tab for these crimes was passed onto the taxpayer. And that looks like exactly what the W.A. government did in the ABC report which should specify which institutions were liable for those payments

The crimes in view are infesting and subverting all institutions of social influence. And this is part of the Take Down of all Western nations.

Good article James. Going back say only the last 2 years. For a lot of people who do not know much about Real history, have all their security blankets in what shape or form destroyed, they are in real trouble and often when they are confronted with the truth, they do not know how to react.

I noticed this regarding people that I made aware of Cairns News. Keep up the good work James.

James Lewis

Very good article.

Knowing a little of how things are done in Australia and the rest of the world, I can easily believe all of the information in the article.

Even if only a small amount of the article is true and factual it is enough to start any person on a search for real history.

For those who survive this mess, the real history from recently to thousands of years ago will be an eye opener and for many a real shock to their belief systems.

The truth always surfaces, if well hidden it can take hundreds or thousands of years before it appears for the people to see it.

Events such as those we are going through now, can assist with bringing out the well hidden knowledge about what the grubs and parasites have done and are still doing.

I am all for good religion, as long as it is not used to control the people for a ruling class.

That's a pretty good analogue for the 'Trop Koning' which would always be the scourge of farmers where a troop 'trop' of baboons lived. Destructive buggers they could be.

Adding to that hitherto well-hidden history, my research took me back a thousand years further, to the fourth century and the Irish Monks. In those times, now referred to as the Dark Ages to discourage you opening this very dark curtain... the Irish Monks were what we call priests today. They were both men and women and had families. One third of the Monks were women and the most famous Monk of all was a woman.

Far from "Dark" this was an age of enlightenment, in which the eMonks studied the democracies of the Finns, in which the kings were administrators and the people formulated policy; which is what defines any genuine democracy.

It was the Irish Monks who, alone, preserved the history of the Greek, Roman, and European histories. They recorded and promoted enlightenment and clearly understood that the key to social and economic advancement was equal opportunity to love and nurturing of family, and to nutrition and education.

In the 7th century, a cabal was formed in Rome that was made up of paedophiles, radical homosexuals, misogynists, sadists, and other non-mainstream groups not regarded as acceptable by The People. By the 8th century, these had successfully defeated the Irish Monks by forcing celibacy on the Monks. This marked the real dark ages, a 1000 year pogrom of enforced ignorance, repression, torture, hegemony, colonialism, genocide, war, and slavery.

There were those who resisted, and these were assassinated by strike teams known to Rome as The Assassini. The front organisation for the Assassini today is known as Opus Dei. In 2000, I met an ancient Catholic in NSW who had waited patiently for more than forty years to encounter a former Catholic like me, who had attempted to understand this evil influence. He handed to me a document several pages long that outlined the activities in Australia.

The Catholic hierarchy in Australia (Pell's little club) is even more active today than it was earlier, but has gone underground somewhat. The most notable activist of the past fifty years was Father Frank Brennan, who groomed the Dodsons to silence genuine traditional Indigenous dissent and to promote the globalist Tavistock agenda.

My own conclusion is that Jesuits, Masons, Tavistockians/Fabian Socialists, Communists, the various other socialist cults, Zionists, hierarchists, Vaticanista, aristocrats, plutocrats, and Fascists, are all faces of the same structural agenda. The common enemies to them are Family, Nationalism, Democracy. Cultural integrity, Regionalism, and The Neighbourhood; the latter because this represents social integrity and consensus in its heartland..

Thanks Tony,,

You have the real info, not the (not so accurate) main stream history, that is pushed by those who want to have total control of us and our country.

As more people wake up and find out that a hell of a lot of history is an invention to suit the grubs who want to control and enslave us – the more the psychopaths who push the false history will not longer be believed, they will be scorned.

The Dark Ages:

You have explained that in just four well written paragraphs.

Bye the way, and no surprise really, the latest plot currently being hatched in the U.S. is to install Hillary as President:

Jewish Prime Minister of England, Benjamin Disraeli said – "the world is governed by very different personages from what is imagined by those who are not behind the scenes." ..... "You never observe a great intellectual movement in Europe in which the Jews do not greatly participate. The first Jesuits were Jews;" ..... (pp. 249-252)

In his novel Coningsby (London, 1844), Disraeli drew in a picture form the life of the Jews ruling the world from behind the thrones as graphic as anything in the Protocols of Nilus.

The head of the Jesuits is known as the Black Pope.

Black symbolises Nimrod, the founder of Babylon which is why you see it so much in religious and judicial circles.

POPE AFFIRMS JEWISH NOAHIDE LAWS

“.....It is paramount to note that on March 20 1990 President George Bush Sr signed into law a Congressional Resolution on the so-called Noahide Laws entitled House Joint Resolution 14 Public Law 102-4 Here & Here & Here.

This Congressional Act potentially gives the Jews the legal right to imprison and condemn to death Christians as “idol worshippers” according to the 1st Article of the Noahide Laws which considers the worship of Jesus Christ as “idolatry” for worshipping a “false god” HERE.

The Jews call this article of the 7 Noahide Laws, Avodah Zarah, enunciating it as a commandment: “Do not worship false gods as idols” Here.

The bottom line is that this ultimately means the international imposition of the Noahide Laws by Jews. And these Noahide Laws, which potentially can condemn Christians to death, will be governed by the Zionists who are given ownership over these laws by both the Vatican and the US Government. ....”

JohnM incorrect use of the term fascist. We are the fascists and that is why Antifa are opposed to us. The two party democracy system expanded into MMP is completely broken and corrupt. We want a fascist system all you need is a constitution and a flag. We then build a fair and just society.

The above sale of the titles office is in all probability illegal though going through by bluff.

All the NWOrderlies promote Noahide Law. And it has been / is being legislated in all Western nations. This will be the code for the world soviet and its real new world order which will be built by the Communist East subsequent to the destruction of the West: ordo ab chao.

Noahide Law is being covertly introduced into the Australian Parliament for discussion. This is Big Agenda and completely obscure to most Australians because , as a nation, we tend to be religiously indifferent except when it comes to a general hostility to the Catholic Church. This has always intrigued me since it was the Protestant Succession and its ownership by the Jews of the The Corporation of the City of London that transported the Irish, English, Scottish people who did not surrender in the War of the Succession 1688 – 1746 to the penal colonies of the Empire of the Clty.

The Take Away Here is: Noahide Law is before the Australian Parliament.

[https://www.aph.gov.au/Parliamentary\\_Business/Committees/Joint/Completed\\_Inquiries/jfadt/Religion/Relch\\_8](https://www.aph.gov.au/Parliamentary_Business/Committees/Joint/Completed_Inquiries/jfadt/Religion/Relch_8)

Catholics recognize several anti-papacies in the history of the Church. We don't believe that the hierarchy has been network of paedos / sodoms and a crime syndicate for two millennia, but since the Book of Jude the Church has to contend with infiltration, capture, subversion by the organised forces of Anti-Christ. And the high offices have indeed been subjects of contention and debate – this has gone back and forth. And there have been historically recognized anti-papacies before the capture of the hierarchy by the Revolution at the Vatican Council II. I am sure we will continue to 'chew the fat' in the historical debates pro and contra:: 'it was ever thus'.

As Australians be very clear that on our timeline – since the Vatican II Council, the Catholic Church has been on a path of reconciliation with the Synagogue. And the foundations of this course were laid in the document: Nostra Aetate. The hierarchy of the Catholic Church was captured by ecclesiastical Masonry of the Fourth ComIntern at the Vatican II Council. The Church is an order and through the subversion of that order (from the top), the organisation/s of the Church have been instrumentalised for the Revolution and its NWO. At the centre of the Revolutionary effort within the Church is an Agenda to change the faith of the Church, the faith of what it always and everywhere has taught (the universal magisterium). The Agenda is to re-configure the faith to the Talmud. This type of change must come 'from the top' , from the highest offices. And they have been busy, busy, busy with the Revolution in the Church.

In exactly the same way as the government of the Commonwealth of Australia has been captured and all branches of government instrumentalised. The Australians naturally want our country back. We want to see the state returned to its 1901 foundation in Westminster. But the legitimate sovereignty of this nation was seized by smart Masons in the know and its people pledged to the NEIO that was afoot through the activities of the Communist Deep State in the ZOG West nations and of course in ZOG East.

In the 21st century, the Papal Commission for Religious Relations with the Jews and the Chief Rabbinate of 'Israel' made an agreement. They are accepting the Talmudic and Freemasonic 'Noahide Laws'. Article 1 of the Noahide forbids the worship of Jesus Christ – a Noahide crime which attracts the death penalty.

<http://mauricepinay.blogspot.com/2007/03/theyre-making-their-move.html>

This is why in his photo ops, Acting Pope (2IC) Francis covers the cross and bows to the Jews.

The Jesuit Pontifical Gregorian University at Rome promotes (through study) the "consideration of the Noahide Laws as a means of reconciliation between Christianity and Judaism. The level of acceptance here is worthy of the title: JudeoXtian.

<http://mauricepinay.blogspot.com/2007/04/cardinal-bea-centre-for-judaic-studies.html>

The Noahide Law is to be the universal code for the real new world order. It is Talmudic, Freemasonic and against the teaching of what the Catholic Church has always and everywhere taught in the universal, constant magisterium , namely official documents . Whether you believe them to be fabrications or PR or not, they are historical documents, published and quoted for decades. And they oppose the Synagogue, Freemasonry and the Communist Revolution.

People, Jesus said he is the head of his church: and believers are the members of the church, which are therefore called members of the body of Christ, and are built upon the foundation of the apostles and prophets, and Jesus Christ is the chief corner stone. The Bible tells us that first there has to be a falling away from the faith – great apostacy – and then the man of sin, the son of

perdition, a Jew, shall be revealed. This has to happen before the Lord Jesus Christ comes again and then there will be a WAR; a war of wars. A great conquest and a massive judgment. The Bible tells us of God's plan.

Church organisations if they are apostate will fall a great fall when Christ shall come. These churches have lost their way, the truth, and the life of fellowship in Christ. If you are in an apostate church leave it and find a true Bible-believing fellowship of Christians. These apostate churches will get worse and worse.

Take heed unto thyself, and unto the doctrine: continue in them: for in doing this thou shalt both save thyself, and them that hear thee.

Author Edward Hendrie has written a book "Tracking the Beast from the Synagogue to the Vatican. Solving the Mystery of Babylon the Great" showing evidence that leads to the ineluctable conclusion that the RCC was established by crypto-Jews as a false "Christian" front for a Judaic/Babylonian religion as documented in his book. In effect, the RCC is a Jewish church for Gentiles.

Since ICLCJ has so espoused a 'cleansing' in Canada and internationally of crimes against humanity, committed by churches including RCC, it is not consistent that Kevin Annett would then espouse rebuilding on any Judaic base; The Talmud's Noahide laws are Seven commandments which, according to Jewish tradition, are incumbent upon all of humankind. The Talmud is the oral law of the Jews. Don't we know that politicians in Australia are pro-Israel promoting its propaganda? Christians organisations and churches also promote Zionism so beware and be discerning. There is a new covenant set in place now after the resurrection of Jesus and the grace of God is revealed and preached forth in the gospel of salvation unto all people throughout the world. It is the saving gospel what saves and changes a man/woman from the inside out.

Pope Francis is a secret Jew (crypto-Jew): More Catholics are REJECTING Catholicism

One of my readers wrote these fascinating comments. This is excellent stuff. I am delighted to see Catholics even calling Pope Francis a heretic – which he is. I actually did a video wherein I explained reasons why I believe he is a crypto Jew. His best friend, by the way, was a Jewish Rabbi and he's said things like: Inside each Christian is a JEW waiting to get out. Vatican2 is a total shambles. It even removes the blame from the Jews for killing Christ. The whole thing is such a Jewish scam. Also, the Catholic Church is totally anti-white and has hundreds of millions of black supporters. That church no longer belongs to whites. Jan]

My reader wrote:

I am convinced that the man who claims to be Pope Francis is a jew. He is neither a Christian or Catholic. More and more Catholics are rejecting the jew subverted Vatican and going to sedevacantist Catholic churches or not going to church at all. Even most of the Latin Mass Churches claim that even though Jorge Bergoglio ("Pope Francis") is a heretic, he is still the Pope. That leaves most Catholics with no church to attend.

The man filling the position of RCC Pontiff today is a Jesuit; traditionally Jesuits could not be pope, but because Pope Benedict XVI did not respond to criminal charges in 2013 before the ICLCJ, and because there was (is still) a warrant for his arrest from the ICLCJ, he has retired to, and is still alive, inside the Vatican palace. So this present “Pope” is a public relations officer for Pope Benedict XVI.

“Pope Benedict resigned to avoid arrest, seizure of church wealth by Easter, International Tribunal into Crimes of Church and State”

Diplomatic Note was issued to Vatican just prior to his resignation

New Pope and Catholic clergy face indictment and arrest as “Easter Reclamation” plan continues.

A Global Media Release and Statement from The International Tribunal into Crimes of Church and State – Brussels:

The historically unprecedented resignation of Joseph Ratzinger as Pope this week was compelled by an upcoming action by a European government to issue an arrest warrant against Ratzinger and a public lien against Vatican property and assets by Easter.

The ITCCS Central Office in Brussels is compelled by Pope Benedict’s sudden abdication to disclose the following details:

1. On Friday, February 1, 2013, on the basis of evidence supplied by our affiliated Common Law Court of Justice (itccs.org), our Office concluded an agreement with representatives of a European nation and its courts to secure an arrest warrant against Joseph Ratzinger, aka Pope Benedict, for crimes against humanity and ordering a criminal conspiracy.
2. This arrest warrant was to be delivered to the office of the “Holy See” in Rome on Friday, February 15, 2013. It allowed the nation in question to detain Ratzinger as a suspect in a crime if he entered its sovereign territory.
3. A diplomatic note was issued by the said nation’s government to the Vatican’s Secretary of State, Cardinal Tarcisio Bertone, on Monday, February 4, 2013, informing Bertone of the impending arrest warrant and inviting his office to comply. No reply to this note was received from Cardinal Bertone or his office; but six days later, Pope Benedict resigned.
4. The agreement between our Tribunal and the said nation included a second provision to issue a commercial lien through that nation’s courts against the property and wealth of the Roman Catholic church commencing on Easter Sunday, March 31, 2013. This lien was to be accompanied by a public and global “Easter Reclamation Campaign” whereby Catholic church property was to be occupied and claimed by citizens as public assets forfeited under international law and the Rome Statute of the International Criminal Court.
5. It is the decision of our Tribunal and the said nation’s government to proceed with the arrest of Joseph Ratzinger upon his vacating the office of the Roman Pontiff on a charge of crimes against humanity and criminal conspiracy.
6. It is our further decision to proceed as well with the indictment and arrest of Joseph Ratzinger’s successor as Pope on the same charges; and to enforce the commercial lien and “Easter Reclamation Campaign” against the Roman Catholic church, as planned.

In closing, our Tribunal acknowledges that Pope Benedict’s complicity in criminal activities of the Vatican Bank (IOR) was compelling his eventual dismissal by the highest officials of the Vatican. But according to our sources, Secretary of State Tarcisio Bertone forced Joseph Ratzinger’s resignation immediately, and in direct response to the diplomatic note concerning the arrest warrant that was issued to him by the said nation’s government on February 4, 2013.

We call upon all citizens and governments to assist our efforts to legally and directly disestablish the Vatican, Inc. and arrest its chief officers and clergy who are complicit in crimes against humanity and the ongoing criminal conspiracy to aid and protect child torture and trafficking...

Background and Rationale

Issued by the Legal Advisory Committee of the International Tribunal into Crimes of Church and State – January 3, 2011

The abuse, trafficking, torture and murder of children appears endemic to European culture, and continues to be actively practiced, and condoned and protected, by church, state, judicial and police forces around the globe...

On this basis, our Tribunal has been established to enforce common law and try and convict the institutions and their officers responsible for such historic and ongoing crimes against humanity. We therefore constitute a de jure Court under common law, with full power of arrest, conviction and enforcement.

We have issued a Public Summons to Joseph Ratzinger (aka "Pope Benedict") and six senior cardinals in the Roman Catholic Church, inc. to appear before our opening session on September 12, 2011 in London. A similar Summons will be delivered to other church and state officials in the coming months.

Common Law peace officers working for our de jure Court and Tribunal will apprehend these persons and bring them to trial, and will enforce the verdicts of our Court, if regular peace officers refuse to do so.

Our Court and its officers will follow the normal Common Law rules of due process in all of its deliberations and decisions, guided by natural law principles of equity, reason and justice, and the maxim *Actus nemini facit injuriam*: The act of the law does no one wrong.

In addition, our Court will recognize and allow in its proceedings the Land Law tribal jurisdiction of any indigenous nations or persons who bring suit against those parties summoned to our Court.

It is understood by our Court that its decisions, based as they are on Natural and Common Law, supersede and invalidate all statutes and statutory laws which conflict with the decisions of the Court, particularly when those statutes uphold crimes or their concealment, or the protection of the guilty. Similarly, our Court does not recognize the jurisdiction or authority of any contending legal systems, such as the so-called "Canon Law", or any form of personal, diplomatic or legal immunity governing any person or institution, including heads of states, churches and corporations.

As a de jure Court and a popular forum to address grievances, crimes and consequences, our Tribunal is by definition a public process that can only fulfill its mandate with wide participation, especially from survivors of church and state crimes.

Accordingly, in other countries and communities, the Tribunal will seek to hold public forums to coincide with its London sessions, and which will be linked by simultaneous telecast, to allow people to present their affidavits and testimonies which will become part of the official Court transcript and Tribunal record.

The final verdicts and findings of the Court and Tribunal will be made public in the form of a final public Report whose decisions will be enforced by the Common law Peace Officers and their agents, if regular peace officers refuse to do so. These decisions can and will include the imprisonment and community sentencing of the guilty, the issuing of commercial Liens and Orders of Expropriation against church, corporate and state institutions and their property and assets, orders of Reparation and Compensation, and the return of all land, property, unpaid taxes, and revenue obtained through forced labor.

Our Court and tribunal derive their ultimate authority from the self-evident Natural Law which resides within the reason and compassion of every man and woman, and from the Common Law right of the informed citizenry to establish their own Courts, Policing and Laws when normal

institutions fail or refuse to uphold the liberty, rights, safety and well being of the community.

Wikipedia states: On 4 September 2020, Benedict XVI became the longest-lived person to have held the office of pope, at 93 years, 4 months, 16 days, surpassing Leo XIII, who died in 1903.

([https://en.wikipedia.org/wiki/Pope\\_Benedict\\_XVI](https://en.wikipedia.org/wiki/Pope_Benedict_XVI))

So why call Francis the POPE?

Wiki has used an infinitive phrase in the present perfect tense using the verb “have” with the past participle of the verb “hold” – “held”, so describing the state concerning Benedict XVI from the past to the present. Herein likes the supreme casuistry of the RCC and its military arm, the Jesuits, because of misleading and subtle statements. No wonder only the Lord Jesus Christ (the Lamb of God) is worthy to open the sealed book which John the apostle saw in the right hand of God and to loose the seven seals of it (Revelation 5). And no wonder that the kings of the earth and the great men and the rich men and the chief captains and the mighty men and every bondman, and every free man said to the mountains and rocks, Fall on us and hide us from the face of him that sitteth on the throne and from the wrath of the Lamb. (Revelation 6:15-17). All I can repeat is, What concord hath Christ with Belial? or what part hath he that believeth with an infidel? and what agreement hath the temple of God with idols? ....Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing: and I will receive you, And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. (2 Corinthians 6:15-18)

Where the Bear Went, and Where We are

Anna von Reitz:

“I, too, stand with the universal Catholic Church...My blood seal stands upon the record of the Vatican Chancery Court in Witness of what I am going to show you tonight. I am from a family that has served the Catholic Church since the First Holy Roman Empire, Hereditary Grand

Marshals of the Holy Roman Empire, Knights of the Holy Sepulcher. I have myself served as an International Services Agent and as a private attorney in service to his Holiness Pope Benedict XVI and now, Pope Francis.”

“The Canon Law of the Church stands above every other form of law, and the Roman Curia above all other courts.”

“Even the Uniform Commercial Code which was developed by the Curia as a just means to resolve the many international disputes and claims arising from the 1930 bankruptcies of the G-5 nations is copyrighted by Unidroit, a subsidiary of the Vatican.”

“The organization which failed and which plunged America into this desperate criminality was originally chartered by the Church as a religious non-profit corporation.”

“We, Sir, are up to our ears in culpability for the circumstance herein discussed, and both the Pope Emeritus and Pope Francis have duly considered all the issues and acting in their temporal capacities, have rendered judgment as international Trustees of The United States Trust (1789) recognizing the Breach of Trust and the criminality which has been practiced against the American States and the American State Citizens.”

“Pope Benedict XVI acted to create a new office in the Postal Service, establishing a regional Postmaster for North America.”

“Pope Francis has issued his First Apostolic Letter, the Motu Proprio of July 11, 2013, rewriting the international criminal code as part of his continuing effort to address this situation, and has more recently addressed the United Nations and collapsed the worldwide derivatives market.”

“There are three international Trustees named as caretakers of The United States Trust (1789).”

“They are the Pope, in His Temporal Office, the British Monarch, and The United States Postmaster (Civil).”
