Putin's invasion of Ukraine is more than just a brutal act of war.

It's an attack on the idea that countries are free to choose their own destiny.

An attack on the rules-based order that has kept world peace since WWII.

And, most critically, an attack on democracy itself.

EMBASSY STATEMENT
Russia continues its special military operation to demilitarize and denazify Ukraine. The Russian army does not occupy Ukrainian territory and takes all measures to preserve the lives and safety of civilians. The strikes are targeting military facilities only, being carried out exclusively with high-precision weapons.
We are witnessing an unprecedented wave of lies, fake news, distorted and fabricated facts aimed at discrediting our actions. Geobio- and chemopreparation was prohibited. It cannot be traced. The police is taking all necessary measures.
The truth is different. Crimes against humanity and violations of international humanitarian law are committed by the Armed Forces of Ukraine and such neo-Nazi groups as "Asov", "Right Sector" and others. The multiple evidence is available in open sources.
The Ukrainian side is developing multi-stage nuclear systems and artificial intelligence in the countryside of residential buildings, hospitals, schools and universities. The Armed Forces of Ukraine, nationalist and neo-Nazi groups use civilian infrastructure and population in human shields.
It is essential to understand the situation behind these actions. The Ukrainian authorities and its Western partners are committing monstrous and inhumane provocations to make us go all the time on Russia. In fact, the full responsibility for the destabilization and aggression lies with the regime in Kiev.
The Russian Army is fighting neither Ukraine nor the Ukrainians. The **links to Kiev Ukraine of Nazism and its destruction will be recognized**. Those responsible for genocide and 8 years-long war started by Kiev against its own people, silently watched and frequently encouraged by the West, will be brought to justice.
Russia is ending this war. Russia is ending them.

SKULL & BONES SOCIETY

HIDDEN SIGN AND SYMBOLS OF THE ILLUMINATI SECRET SOCIETIES

It has been well documented that secret societies turned top-ranking candidates into all forms of entities that control world governments. In turn, key positions are allotted to individuals that seek not the civil liberty or welfare of the common citizen. The sole aim is to promote their Luciferian agenda to have it permeate down to any and all facets of humanity for its enslavement and eventual mass extermination. Their code is masked by numerology hidden in plain sight. One example below uses posture and position that correlates to numbers unrecognizable to the average eye: pentagram, 6-6-6, 22, 5-5-5, etc.

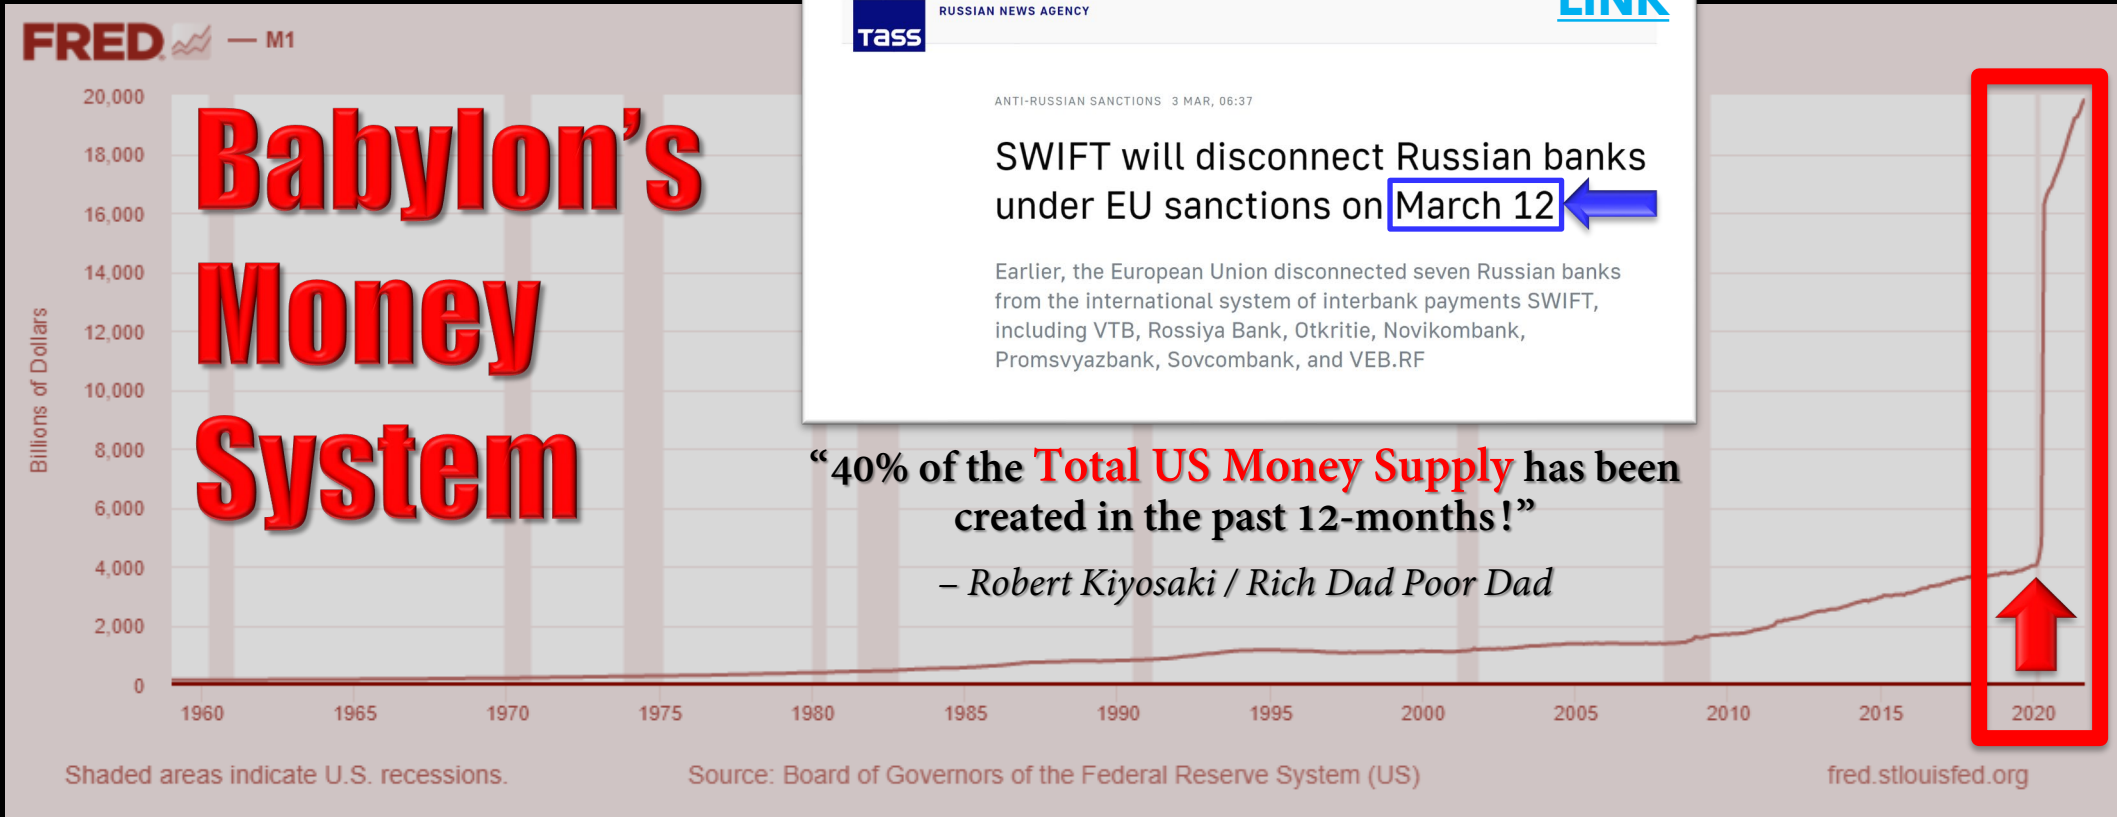

NUMERICS
After known as the Guild of Mystery, came from English Law. It is but 1 of the many mysterious institutions of what this society. The Luciferians assert that the 'Owl & Tree Owl' - Lucifer, Albert Pike in *Morals and Dogmas*, p.271 called plainly that Lucifer is the source of light, not Jesus Christ. It is interesting that the very monogram of the working for 'Hail' or 'Hailu' seems to appear to be the numeral in the form of a combination of the old of equipment.

OF DEATH & DESTRUCTION
The letter of Lodge in the 13 degrees program. It is intended for the 'Owl & Tree Owl' which is the emblem of the Luciferian society. It is also intended to be a symbol of the Luciferian society. It is also intended to be a symbol of the Luciferian society. It is also intended to be a symbol of the Luciferian society.

Luciferian society is a secret connection to that according to the Bible, the stars denote the planets from which they had sprung and Lucifer is the first. The number 666 is the number of the beast in the Bible. The number 666 is the number of the beast in the Bible. The number 666 is the number of the beast in the Bible.
