Right off the bat, let me say that QANON is a Legacy Media Creation presented by our Enemies as their *necessary* strawman to avoid covering the actual Q DROPS while their Operatives who've infiltrated MAGA post utter lunacy online so their PARTNERS in the Media can write their *necessary* smear pieces to paint all Q Followers as Bat Guano insane.

There is Q & then there are Anons.

Anyone claiming to be QAnon is either a gullible tool or a Globalist Operative.

When the GHOST IN THE MACHINE Video was posted, my belief is it was a GO SIGNAL for something & a heads up to Anons that Psy War is not only real, but as Anons they are *participating* in that war on behalf of Our republic.

So not only has the DoJ & FBI been weaponized AGAINST the American People, WE have been weaponized AGAINST the Forces trying to oppress & enslave Humanity.

The Bad Actors who've inserted themselves into the Q Movement to FEED the smear pieces for their PARTNERS in the MSM like Mike Rothschild at the Daily Dot are a necessary part of this key *WRAP UP SMEAR*.

They defame, deflect & "poison the well" regarding Q by posting or saying the most insane & wild gossip possible before their Media Contacts drop their PRE-WRITTEN stink pieces.

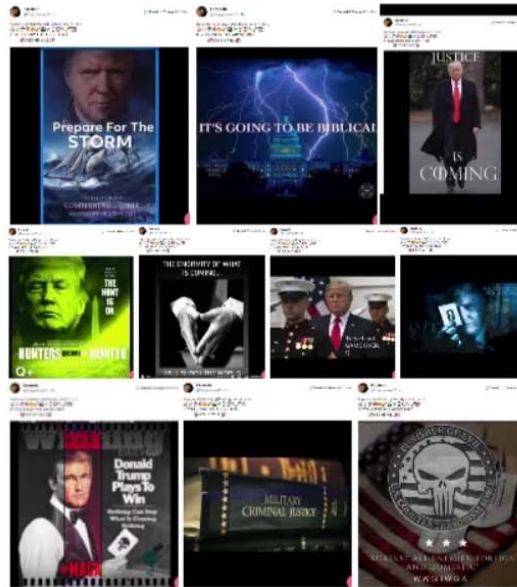

*Get ready to write your second book on "QAnon" Mike!! You should call it THE STORM IS **REALLY** UPON US NOW! (HELP!)*

Now that QAnon has been decoded let me explain what's happening with Donald Trump's recent *embrace* of Q.

Because that's exactly what is happening.

For the last three months Q posts & memes had begun to be retruthed by Trump on his TRUTH SOCIAL media account sparking speculation that Trump MIGHT be endorsing or giving a wink of credibility to Q (& therefore the Q Movement) has in the last two weeks risen to a furor as Trump's Q related posts went from a trickle to a FLOOD!

Guys.
Trump didn't just post some random video with a few Q references.
He retruthed a video FILLED to the brim with everything Q. Including plainly suggesting that Trump is Q plus, military justice is coming, and that the storm is coming. There has been a monumental shift. Trump is openly embracing Q. The mainstream media must be panicking.

Ok, Donny J! Tell us you are Q+ without SAYING you are Q+!!

Biden's White House appears to be in **genuine** chaos unlike Trump's first two years where he was giving the VILE MSM "white rabbits" to chase to distract & occupy them as he worked 18 hour days for the country.

Just last week alone Biden's White House Staff had to correct Biden on at least four public statements regarding Taiwan, Ukraine & North Korea.

The wheels on Biden's Presidency aren't just coming off, they're in **FLAMING TATTERS**.

All of the corrupted & compromised US.Gov institutions are also catching fire as they desperately try to save Stutterin' Joe & his Puppet Presidency.

So as the radioactive fallout of the Mar-A-Lago Raid immolates the 7th Floor of the FBI leaving Trump completely unhindered, and as Puddin' Head Joe fumbles & stumbles his way around, busy in his destruction of literally everything good Trump

did in his first term, Trump is holding Rallies where he's openly embracing Q & even playing the Movement's Banner Song WWG1WGA (Where We Go One, We Go All) at two of his latest Rallies. (Wilkes Barre PA on Sept 3rd & Youngstown OH on Sept 17th)

Which, I just discovered as I researched this is NOT composed by the Anonymous "Richard Feelgood" but is actually a royalty free piece composed by the musician Will Van De Crommert!

The Album Feelgood posted entitled SILVER CLOUD 5 is now unavailable due to the fact it was posted falsely under his name & not the original composer.

Van De Crommert, upset his piece is being used at a political rally stated "Richard Feelgood's claim on the song 'Mirrors' (retitled 'Wwg1wga') is patently false. The recordings of 'Wwg1wga' and 'Mirrors' are identical, and the master was unlawfully retitled, repackaged, and redistributed to streaming platforms by Richard Feelgood," Van De Crommert said.

This is WHY you didn't hear the Q Theme Song at Trump's Rally in Wilmington, NC Friday evening on Sept. 23rd.

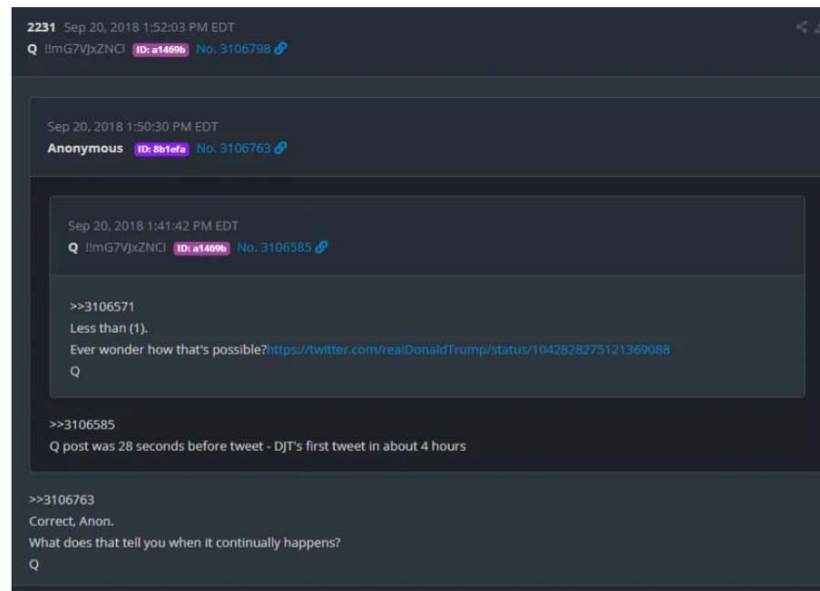

It's out of play because the musician who, if he wasn't staunchly anti-Trump before this, certainly is now.

I HATE the fact we're only learning this now. One of Trump's biggest complaints about the CCP is their theft of intellectual property. Shame on you, Richard Feelgood, whoever you are!

OK, back to my point, Trump is openly DARING the MSM to ramp up their QAnon BS I've described above as he's priming the Alternative Media to ask him the BURNING QUESTION = "Are you Q+?" (Trump's posts are winking at that)

FOLLOW UP QUESTION = "WHO is Q?" (It's clearly someone who can SEE Trump's Twitter posts ****BEFORE HE TWEETED THEM!****)

of times this has happened that I can tell so far = 12. HOW can Q post a RESPONSE to a Trump Tweet BEFORE Trump even tweeted it? Do THAT math.

WHY am I posting this particular picture of Trump's "former" White House Deputy Chief of Staff for Communications? I HAVE NO IDEA! (I don't even speak ENGLISH!!)

It was posted the SAME DAY I posted this [THUNDERDOME Substack on Hutchinson.](#)

Trump has been using our Enemy's own methods of deception & emotional manipulation against them with a breathtaking degree of mastery.

Now, as the *heat & pressure* are increased against him & all MAGA Patriots the actual HARM being done isn't to him or us!

All of the *real* pain is boomeranging back on them with a comparable intensity as we watch in confusion & delighted surprise.

As I have often said, the people we are fighting are TOTALLY INTO Mass Casualty Events to feed their lust for ever increasing power, wealth & control over humanity.

What might these demonic "Captains of Industry & Technology" unleash upon the World if they felt genuinely threatened?

This is WHY they always go unpunished & are, at least up til now, UNTOUCHABLE.

"If you open the Ball on THESE PEOPLE Mr. Ness, you must be prepared to go ALL THE WAY!"

We've been WIDE OPEN for 5+ decades.

They unleashed COVID & a Color Revolution on us to help "push" Trump out of the Presidency.

Anyone coming @ me about "well they certified the 2020 Election!" Isn't a serious player in THIS Game.

You don't launch a BACTERIOLOGICAL ATTACK on my Country, kill tens of thousands of our Elderly & infirm & expect us to take that lying down.

This Nation has had failsafes & contingency plans in place since the days of Harry S. Truman.

I CAN assure you that whatever is about to happen is going to be LEGAL & CONSTITUTIONAL or Trump wouldn't agree to it.

These Dark Souled SHITWEASELS think WE are boxed into a corner.

*Mayor Clum "This is not a jungle, Wyatt. We have LAWS!" Wyatt Earp "Yes we do. And if those men think they can HIDE behind those laws **they've missed their guess."*

They've made a fatal mistake. (Which is completely understandable as their Nazi Forefathers did the same freaking thing)

This IS War.

A #SoulWAR.

And now that we're winning it on almost every front OUR job is to stay CALM, witness what unfolds so we can then be the best architects we can be for the herculean task of rebuilding our future as we RELEARN our past.

So that our children & Humanity's future generations never have to walk the Dark

Paths We we forced to tread in ignorance & grief.

Thank you for this publication, you and your brother deserve a prize. Not the BS PULITZER. Fuck them.

Consider the global populace. Do you think that the people in the slums of India or those in the villages that skirt the Amazon have the slightest clue of the EPIC operation that is transpiring?
One that will not only save America, but HUMANITY ITSELF!
It sounds a crazy thing to say that WE have been chosen, but indeed, WE HAVE BEEN, and it's utterly SURREAL!
