Mayor Cr Philip Penfold, Councillors and the General Manager invite you to attend Maitland's Economic Future Business Lunch.

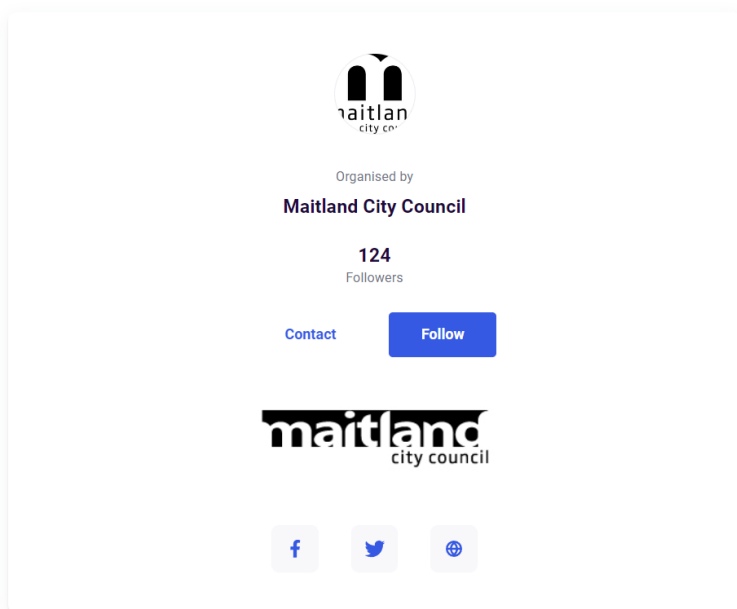

We will provide an update on the Future Maitland series held last year and the next steps to developing our first ever Economic Development Strategy.

Using insights from the Future Maitland series facilitated by James Tuma, we will work interactively with those in the room to refine some of the more popular concepts from the Future Maitland series. Results will feed into the preparation of the economic development strategy.

Creating an economic development strategy will help identify and prioritise initiatives that can support the growth and prosperity of Maitland.

Finger food style lunch will follow the presentation.

### About the organiser

The image shows a profile card for Maitland City Council on Eventbrite. At the top is the Maitland City Council logo, which consists of a stylized 'm' above the text 'maitland city council'. Below the logo, it says 'Organised by' followed by 'Maitland City Council' in bold. Underneath that, it shows '124 Followers'. There are two buttons: a blue 'Contact' button and a blue 'Follow' button. At the bottom of the card is a larger version of the Maitland City Council logo and three social media icons: Facebook, Twitter, and a generic social media icon.
